GLOVES

Color

Multicolour Option Available

Model No. : ISH – FLEX (Knitted Gloves)

FABRIC : Seamless Knitted Gloves.
Material – 100% cotton.

FEATURES : Seamless knit construction and close flexible fit increases comfort, durability and eliminates irritation despite long period of wear.
100% breathable construction ensures air circulation all day long. Natural fibre is cool and comfortable to wear in all climates.

Size : M, L

Color

Multicolour Option Available

Model No. : ISH – SHIELD (Cut Resistance Gloves)

FABRIC : Elastic knitted cuff
Material – Liner Nylon/HPPE/Glass fiber with PU coating

FEATURES : HPPE and nylon liner offers high level of anti – cut protection, smooth NBR coating provides excellent grip, high level of abrasion.
The glove could offer users a fresh feeling suitable for controlling and handling with sharp pieces

Size : M, L

Color

Multicolour Option Available

Model No. : ISH – WEBBER

FABRIC : Elastic Knitted Cuff.
Material – Polyester with PU Coating.

FEATURES : Seamless lining for extra comfort while the open back style allows excellent breathability.
The glove is designed for light and tactile application that asks for maximum dexterity. Anti-static, anti-dust. It has good handling ability of small object in dry and light oily conditions and reduces the risk of product contamination.

Size : M, L

Color

Multicolour Option Available

Model No. : ISH – NEON

FABRIC : Heavy Duty Rubber Gloves

FEATURES : Specially designed contoured shape ensures greater comfort. Improved abrasion resistance offers greater durability due to 50% increase in thickness as compared to standard flock-lined gloves. The patterned palm and fingers give excellent grip on both wet and dry conditions. Cotton flock-lining offers added comfort and better absorption of perspiration.

Size : M, L
